Assistant: I see what's happening ■

In LaTeX, when you write ...

User: it worked
i want to export the chat between us

Assistant: Great to hear it worked! ■

For exporting our chat, you've got a couple of options ...

User: i want to have all the chat as a pdf

Assistant: Perfect ■ — if you just want the full conversation in **PDF**, the easiest ways are: ...

■ Do you want me to create that PDF for you automatically?

User: yes
